Re: Rapa v. P.C. Richard & Son, LLC
2:16-cv-05989-ES-JAD

Your Honor:

We represent defendant P.C. Richard & Son, LLC ("P.C. Richard") in the above-referenced action. With the consent of plaintiff's counsel, we write to advise the Court that the parties today reached an agreement in principle to resolve this matter. As P.C. Richard's motion to dismiss is pending before the Court, we wanted to bring this development to Your Honor's attention immediately.

Counsel are currently drafting settlement papers. We anticipate filing a stipulation of dismissal in short order.

Respectfully submitted,

/s/ William S. Gyves
